1. Under **Control Panel**, Select **Customization**. Then select **Teaching Style** from the menu.

2. Locate the **Select Banner** option.

3. Select the **Browse My Computer** button.
Adding a Banner to Your Course Entry Point

Last updated: 8/30/2012

4. Select **Browse My Computer**. Find and select your banner.

5. Select **Submit**.

**Note:** This banner will only appear on the **Course Entry Point** page selected.
