Creating a True or False Question

Last updated: 7/18/2012

True/False questions allow students to choose either true or false in response to a statement question. True and false answer options are limited to the words True and False.

1. Open the canvas page for a test, survey, or pool.

2. On the Action Bar, click on Create Question and select True/False from the drop-down list.
3. Type the Question Text. This should be in the form of a statement that users will mark either true or false.

4. Select the correct Answer for the question by clicking True or False.

5. Type the Correct Response Feedback that appears in response to a correct answer and the Incorrect Response Feedback for an incorrect answer.

6. Click Submit.
